THE ASIA PACIFIC
SCHOOL of BUSINESS

Approved to offer the relevant degree courses of our school in the Competency School of Business Administration in Ghana.

Please note that the above degree courses are only available to postgraduate students studying at the Competency School of Business Administration. This applicable clause follows the principle of "giving everyone living in low-income groups the opportunity to receive a good higher education, regardless of their skin color, creed, race, disability or poverty, and everyone has the right to higher education".

In view of this, the above degree courses offered by the Competency School of Business Administration in Ghana are non-profit, public welfare and charitable. Special thanks to Jane's Education Foundation for sponsoring the entire process and providing scholarships.
