

关于撤销 COSBA 招生权及禁止在全球范围内 使用我校名义进行一切学术活动的公告

Announcement on Revoking COSBA's Enrollment Right and Prohibiting the Use of Our University's Name for All Academic Activities Worldwide

文件编号: APSB [2026] 008 号
Document No.: APSB [2026] No. 008

各相关单位、全体学生、COSBA (The Competency School of Business Administration) 及其中关联人员/实体:

All Relevant Units, All Students, COSBA (The Competency School of Business Administration) and Its Affiliated Persons/Entities:

为坚决维护我校 (亚太商学院, The Asia Pacific School of Business, 简称 APSB) 学术声誉与合法权益, 严厉打击违规违约、违法敛财、恶意欺诈等恶劣行径, 切实保障广大学生的受教育权与合法权益, 现就我校与 COSBA (The Competency School of Business Administration, 以下简称“合作方”) 合作事宜及相关处理决定, 发布本公告, 本公告内容严肃正式、态度坚决, 无任何协商余地。

To resolutely safeguard the academic reputation and legitimate rights and interests of our university (The Asia Pacific School of Business, referred to as APSB for short), severely crack down on illegal, breach-of-contract, fraudulent and other despicable acts, and effectively protect the right to education and legitimate rights and interests of all students, we hereby issue this announcement regarding the cooperation between our university and COSBA (The Competency School of Business Administration, hereinafter referred to as the "Cooperating Party"). This announcement is serious, formal, firm in attitude, and non-negotiable.

我校与 COSBA 开展合作之初, 明确约定 COSBA 仅作为我校授权的招生代理机构, 受我校委托实施部分教学辅助及学生管理相关工作, 其所有工作均需严格遵循我校规

章制度及双方合作协定，无任何学费定价权、学籍管理权，更无权决定课程安排、禁止我校与学生直接沟通。双方核心协定明确约定，针对非洲学生实行低廉学费策略，核心目的是践行我校“让每一个低收入人群，都有公平的机会接受良好的高等教育”的根本初衷，助力非洲低收入群体实现教育公平。然而，合作期间，COSBA 彻底背离合作约定、无视法律底线、践踏学术伦理与道德，肆意实施一系列违规、违约、违法行径，经我校多次约谈、沟通、催告，其不仅拒不整改，反而采取对抗、隐瞒、欺诈等卑劣手段，甚至公然威胁、辱骂我校工作人员，漠视学生合理诉求，导致事态持续恶化、彻底失控，具体恶劣行径及实例如下：

At the beginning of the cooperation between our university and COSBA, it was clearly agreed that COSBA would only serve as an authorized enrollment agency of our university, entrusted by our university to carry out some teaching assistance and student management related work. All its work must strictly comply with the rules and regulations of our university and the cooperation agreement between the two parties. It has no right to set tuition fees, manage student status, let alone decide curriculum arrangements or prohibit direct communication between our university and students. The core agreement between the two parties clearly stipulated that a low-tuition strategy would be implemented for African students, with the core purpose of practicing the fundamental original aspiration of our university's "to provide every low-income group with a fair opportunity to receive high-quality higher education" — and helping low-income groups in Africa achieve educational equity. However, during the cooperation period, COSBA completely deviated from the cooperation agreement, ignored the bottom line of the law, trampled on academic ethics and morality, and arbitrarily implemented a series of irregular, breach-of-contract and illegal acts. After many interviews, communications and warnings by our university, it not only refused to rectify, but also adopted despicable means such as confrontation, concealment and fraud, even openly threatening and insulting the staff of our university, ignoring students' reasonable demands, leading to the continuous deterioration and complete loss of control of the situation. The specific despicable acts and examples are as follows:

一、擅自篡改收费标准，大肆敛财，疯狂盘剥学生利益。双方最初协定明确，非洲学生硕士学费标准为 750 美元、博士学费标准为 1200 美元，旨在保障低收入学生能够负担得起高等教育。但 COSBA 在未经我校任何书面同意、未履行任何报备程序，且明知自身无学费定价权的情况下，公然违背双方核心协定，将非洲学生硕士学费擅自提高至 2000 美元甚至更高，而博士学费则从 1200 美元提高至 5000 美元甚至更高，直接导致学生经济压力极度加剧。例如，加纳籍学生，家庭以农业为生，原本依靠家庭微薄收入勉强承担的学费，学费翻倍后，其家庭无力支付，只能被迫暂停学业，陷入濒临辍学的绝境；另有数名学生，因学费暴涨，不得不通过打多份零工凑齐学费甚至借贷，正常学习生活受到严重影响。更为恶劣的是，COSBA 在收取高额暴利学费的基础上，混淆视听、巧立名目，以“教务管理费”、“资料工本费”等不正当手段无故、巧立名目增设多项杂费，层层盘剥学生，仅“论文指导费”一项就向每名学生额外收取

3600 美元，且无任何缓冲余地，其行为严重违背高等教育公益属性，违反教育收费管理相关法律法规，与我校核心初衷背道而驰，本质上是借教育之名行暴利敛财之实，与部分违规中介借教育合作大肆敛财的恶劣行径如出一辙。

1. Arbitrarily altering the tuition standard to engage in rampant money-grabbing and frantically exploiting students' interests. The initial agreement between the two parties clearly stipulated that the master's tuition standard for African students was 750 US dollars and the doctoral tuition standard was 1200 US dollars, aiming to ensure that low-income students could afford higher education. However, without any written consent from our university, without going through any filing procedures, and knowing clearly that it has no right to set tuition fees, COSBA openly violated the core agreement between the two parties, arbitrarily increasing the master's tuition fees for African students to 2000 US dollars or even higher, and the doctoral tuition fees from 1200 US dollars to 5000 US dollars or even higher, directly causing an extreme increase in students' economic pressure. For example, a Ghanaian student, whose family makes a living from agriculture, originally relied on his family's meager income to barely afford the tuition fees. After the tuition fees soared, his family was unable to pay, and he had to suspend his studies, falling into a desperate situation of being on the verge of dropping out of school; in addition, several other students, due to the sharp increase in tuition fees, had to take multiple part-time jobs to raise the tuition fees or even borrow money, which seriously affected their normal study and life. What is even more abhorrent is that on the basis of collecting high and exorbitant tuition fees, COSBA confused the public, made up various pretexts, and improperly added a number of miscellaneous fees without reason or under false pretexts through illegitimate means such as "academic management fee" and "data production fee" to exploit students layer by layer. Only the "thesis guidance fee" alone charged an additional 3600 US dollars per student without any room for buffer. Its behavior seriously violates the public welfare nature of higher education, violates the relevant laws and regulations on the administration of education fees, runs counter to the core original aspiration of our university, and is essentially seeking exorbitant profits in the name of education, which is the same as the despicable act of some irregular intermediaries making exorbitant profits through educational cooperation.

二、恶意隐瞒实情，双重欺诈，对抗我校监管，辱骂威胁工作人员。截至本公告发布之日，COSBA 在长期疯狂收取高额学费及各类杂费的情况下，从未向我校缴纳、支付任何一名学生的学费，仅加纳地区就有数十名学生缴纳了高额学费，涉及金额逾十余万美元，均被 COSBA 非法侵占，完全背离合作约定，涉嫌侵占我校合法收益，构成恶意违约及涉嫌违法。同时，COSBA 采取双重欺诈、对抗手段，一方面对我校刻意隐瞒实情，虚假报备“无学生报名”，逃避我校监管，在我校多次约谈沟通时，不仅拒不配合，反而采取对抗态度，公然威胁、辱骂我校工作人员：2026 年 5 月 8 日，我校国际学术合作办公室工作人员就学费违规上涨事宜约谈 COSBA 负责人时，其负责人不仅拒不承认违规事实，还辱骂工作人员“多管闲事”“不配干预”，并威胁“再追究就让你们在

非洲无法开展任何工作”，态度极其嚣张，其威胁辱骂的恶劣行径，均属公然挑衅监管权威；另一方面对学生实施隐瞒、欺诈、拖延战术，以“学费上涨是学校统一调整”、“毕业可获得额外认证”等虚假承诺欺骗学生，恶意拖延学生毕业时间，例如，2025 届数名同学，已完成全部课程学习且成绩合格，但 COSBA 却以各种借口为由，拖延毕业近一年，严重侵害学生受教育权与毕业权益。

2. Maliciously concealing the truth, engaging in double fraud, confronting our university's supervision, and insulting and threatening staff. As of the date of this announcement, despite long-term and frantic collection of high tuition fees and various miscellaneous fees, COSBA has never paid any tuition fees for any student to our university. There are dozens of students in Ghana who have paid high tuition fees, involving more than 100,000 US dollars, all of which have been illegally occupied by COSBA, which completely deviates from the cooperation agreement, is suspected of embezzling the legitimate income of our university, and constitutes malicious breach of contract and suspected illegality. At the same time, COSBA adopted double fraud and confrontation means: on the one hand, it deliberately concealed the truth from our university, falsely reported that "no students have registered" to evade our university's supervision; during many interviews and communications by our university, it not only refused to cooperate, but also adopted a confrontational attitude, openly threatening and insulting the staff of our university: on May 8, 2026, when the staff of the International Academic Cooperation Office of our university interviewed the person in charge of COSBA on the issue of illegal tuition increase, the person in charge not only refused to admit the illegal facts, but also insulted the staff as "meddling in other people's business" and "not qualified to intervene", and threatened that "if you continue to investigate, we will make it impossible for you to carry out any work in Africa" with an extremely arrogant attitude. Its despicable act of threatening and insulting is an open provocation to the regulatory authority; on the other hand, it implemented concealment, fraud and delay tactics against students, deceiving students with false commitments such as "the tuition increase is a unified adjustment by the university" and "additional certification can be obtained upon graduation", and maliciously delaying the graduation time of students. For example, several students of the 2025 cohort have completed all courses and passed the grades, but COSBA has delayed their graduation for nearly a year on various pretexts, seriously infringing on students' right to education and graduation rights.

三、违规增设高额收费项目，虚假辩解，实施流氓行径威胁学生。COSBA 未经我校批准，擅自增设毕业论文指导费，收费标准高达 3600 美元，该收费项目无任何合理依据，属于典型的违规乱收费，严重违反教育收费管理相关规定。面对我校的催告及学生的合理诉求，COSBA 不仅拒不整改，反而编造“我校不能决定学费设置、课程安排、不能与学生沟通”等无稽之谈，企图混淆视听、逃避责任，其谎言完全不符合双方合作约定及事实，纯属狡辩。更为恶劣的是，COSBA 多次以注销学生学籍、延迟学生毕业进程为由，公然威胁学生，企图压制学生合理诉求，此类行为纯属流氓行径——

COSBA 作为我校授权的招生代理机构，根本不具备注销学生学籍、延迟学生毕业的任何权限，其威胁行为已涉嫌违法，严重侵害学生合法权益。例如，加纳籍学生（为保证隐私权暂不提供真实姓名），因联合多名同学向 COSBA 提出退还违规收取的毕业论文指导费，遭到 COSBA 工作人员威胁，称“若继续闹事，将立即注销你的学籍，让你永远无法毕业”；另有多名学生因质疑学费上涨合理性，被 COSBA 告知“不按时缴纳高额学费，将取消考试资格，延迟毕业至少两年甚至十年都让其不能毕业”，其嚣张气焰令人发指，与部分违规国际中介通过威胁手段压制学生诉求、违规敛财的行径高度相似。

3. Illegally adding high-cost charging items, making false arguments, and implementing rogue acts to threaten students. Without the approval of our university, COSBA arbitrarily added a graduation thesis guidance fee with a standard as high as 3,600 US dollars. This charging item has no reasonable basis and is a typical case of irregular and arbitrary charging, which seriously violates the relevant provisions on the administration of education fees. Faced with the warnings from our university and the reasonable demands of students, COSBA not only refused to rectify, but also made absurd remarks such as "our university cannot decide tuition settings, curriculum arrangements, and cannot communicate with students", trying to confuse the public and shirk responsibility. Its lies are completely inconsistent with the cooperation agreement between the two parties and the facts, and are purely sophistry. What is even more abhorrent is that COSBA has repeatedly openly threatened students on the grounds of canceling their student status and delaying their graduation process, trying to suppress students' reasonable demands. Such acts are purely rogue acts — as an authorized enrollment agency of our university, COSBA has no right to cancel any student's student status or delay their graduation at all, and its threatening acts have been suspected of breaking the law, seriously infringing on students' legitimate rights and interests. For example, a Ghanaian student (real name not provided temporarily to protect privacy) was threatened by COSBA staff for jointly with many classmates to request COSBA to refund the illegally collected graduation thesis guidance fee, saying that "if you continue to make trouble, we will immediately cancel your student status and make you unable to graduate forever"; in addition, many students were told by COSBA that "if you do not pay the high tuition fees on time, your exam qualification will be cancelled, and your graduation will be delayed for at least two years or even ten years" because they questioned the rationality of the tuition increase. Its arrogance is outrageous, which is highly similar to the act of some irregular international intermediaries suppressing students' demands and collecting money illegally through threats.

四、漠视学生合理诉求，恶意拖延，导致事态彻底失控。COSBA 在实施上述一系列恶劣行径的同时，对学生提出的退费、正常毕业、明确学籍等合理诉求，采取漠视、推诿、拖延的态度，拒不回应、拒不解决，加之其对我校的对抗、欺诈行为，导致事态持续升级、彻底失控。例如，2026 年 1 月至 4 月，共有 10 余名学生通过邮件、书面函件等形式，向我校提出监管请求，要求敦促 COSBA 停止打压学生、合理安排毕业

等诉求，我校积极应对，多次沟通后选择相信 COSBA 的承诺：妥善处理学生合理要求。但是，COSBA 始终以“正在审核”“需向学校报备”为由拖延刻意隐瞒学生，直至本公告发布之日止，导致第二次学生集体申诉；因部分学生对何时能够正常毕业感到极度失望，多次前往 COSBA 办公地点沟通，均被工作人员拒之门外，甚至被粗暴驱赶。COSBA 的上述行为，不仅严重损害我校国际声誉，更对广大学生的合法权益造成不可挽回的影响，对全球教育公平造成恶劣冲击，其漠视学生诉求、拖延推诿的行为，与部分违规办学机构漠视学生权益、教学管理空心化的问题如出一辙。

4. Ignoring students' reasonable demands and maliciously delaying, leading to the complete loss of control of the situation. While implementing the above-mentioned series of despicable acts, COSBA adopted an attitude of indifference, prevarication and delay towards the reasonable demands of students such as tuition refunds, normal graduation and clear student status, refusing to respond or solve them. In addition to its confrontation and fraud against our university, the situation continued to escalate and completely got out of control. For example, from January to April 2026, more than 10 students submitted supervision requests to our university through emails, written letters and other forms, requesting to urge COSBA to stop suppressing students and reasonably arrange graduation. Our university responded actively and chose to believe COSBA's commitment to properly handle students' reasonable demands after many communications. However, COSBA has been deliberately concealing from students and delaying on the grounds of "under review" and "needing to report to the university" until the date of this announcement, leading to the second collective appeal of students; because some students are extremely disappointed about when they can graduate normally, they have repeatedly gone to COSBA's office to communicate, but were all turned away by the staff and even roughly driven away. The above acts of COSBA not only seriously damaged the international reputation of our university, but also caused irreparable impact on the legitimate rights and interests of all students and a bad impact on global educational equity. Its act of ignoring students' demands and delaying prevarication is the same as the problem of some irregular educational institutions ignoring students' rights and interests and hollow teaching management.

鉴于 COSBA 上述一系列性质恶劣、情节严重的违规、违约、违法行径，已完全丧失合作基础，且其行为已严重损害我校声誉、侵害学生合法权益，涉嫌违法犯罪，依据《高等教育法》、《高等学校财务制度》、《关于进一步加强和规范教育收费管理的意见》及《高等教育公平法案》等相关法律法规及校规规定，以及双方合作协定相关条款，经我校校务委员会审议通过，作出如下不可更改的决定：

In view of the above-mentioned series of despicable, serious irregular, breach-of-contract and illegal acts of COSBA, which have completely lost the foundation for cooperation, and whose behaviors have seriously damaged the reputation of our university, infringed on students' legitimate rights and interests, and are suspected of criminal acts, in accordance with the relevant laws, regulations and school rules such as the "Higher Education Law", the "Financial System of Institutions of Higher

Education", the "Opinions on Further Strengthening and Standardizing the Administration of Education Fees" and the "Higher Education Equity Act", as well as the relevant clauses of the cooperation agreement between the two parties, after deliberation and approval by the University Council, the following irrevocable decisions are made:

1. 立即、永久撤销 COSBA 的一切招生权限，自本公告发布之日起，COSBA 不得以任何形式、任何名义，在加纳、非洲及全球范围内开展任何与我校相关的招生活动，一经发现，我校将立即采取法律手段，追究其全部责任；

5. Our university will, together with all affected students, reserve the right to pursue all civil compensation against COSBA and its affiliated persons and entities, and legally recover all legitimate losses of our university; at the same time, comprehensively collect relevant evidence of COSBA's criminal acts, immediately initiate criminal prosecution procedures, and investigate its criminal liability in accordance with the law. Its despicable acts such as threatening and insulting the staff of our university and threatening students will also be held accountable in accordance with the law, with no tolerance or leniency;

6. 针对 COSBA 编造的虚假理由、实施的敛财行为，我校将通过官方渠道发布澄清声明，告知全体学生及各相关单位真相，明确 COSBA 的权限边界，杜绝其继续混淆视听、危害他人权益。

6. In response to the false reasons fabricated by COSBA and its money-grabbing acts, our university will issue a clarification statement through official channels to inform all students and relevant units of the truth, clarify the scope of COSBA's authority, and prevent it from continuing to confuse the public and harm the rights and interests of others.

我校（亚太商学院，The Asia Pacific School of Business, APSB）始终坚守办学核心初衷，秉持公平、公正、公益的教育理念，坚决抵制任何借教育之名谋取暴利、违反学术伦理与道德、侵害学生权益、对抗监管的违法违规行，坚决杜绝类似违规中介借合作之名行敛财之实现象再次发生。

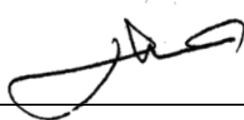

Our university (The Asia Pacific School of Business, APSB) has always adhered to the core original aspiration of running a school, upheld the educational philosophy of fairness, justice and public welfare, resolutely resisted any illegal and irregular acts that seek exorbitant profits in the name of education, violate academic ethics and morality, infringe on students' rights and interests, and confront supervision, and resolutely prevented the phenomenon of similar irregular intermediaries making profits in the name of cooperation from happening again.

谨望各相关单位、全体学生知悉，共同监督执行；同时警示所有合作方，恪守合同约定、坚守法律底线，否则我校将依法追究其全部责任。

We sincerely hope that all relevant units and students will be informed and jointly supervise the implementation; at the same time, we warn all cooperating parties to abide by the cooperation agreement and the bottom line of the law, otherwise our university will pursue their full responsibility in accordance with the law.
